

SOVEREIGNTY · SERVICE · TECHNOLOGY

Fuzion Chickasaw Group™ is a Native American- and woman-owned business and technology consulting firm serving tribal governments, tribal enterprises, and mission-driven organizations with sovereignty-aware, enterprise-grade delivery.

Core Competencies

- IT and business consulting for construction, engineering, and program operations
- Enterprise and construction document management, including Microsoft 365 platforms
- Business process mapping, automation, dashboards, portals, and application development
- Program management, project controls, governance, and project management
- Tribal construction support with sales-tax-exemption compliance

Representative Experience

Support Beacon Relief™

Pro bono disaster-relief logistics platform delivered with Fuzion Consulting Group™ for Rancher Navy and licensed free of charge.

Fuzion Storm Works™ · Take Cover™

Take Cover™ supports community preparedness; Fuzion Storm Works™ remains the broader community-safety roadmap platform.

Small-Business Development

Websites for Choctaw- and Chickasaw-owned businesses, including The Homestead at Calera and Fat Piggies, with additional website projects.

Affiliate Enterprise Delivery

Access to Fuzion Project Works™, Fuzion365 Field Works™, Fuzion Construct Works™, and Fuzion Program Works™ through Fuzion Consulting Group™.

Differentiators

- Native-led—founded and led by a citizen of the Chickasaw Nation
- Native American- and woman-owned; actively pursuing DBE certification
- Technology designed around tribal governance, data sovereignty, and community impact
- 35+ years combined experience across power, gas, water, transportation, IT, and construction
- Enterprise delivery through affiliate Fuzion Consulting Group™ and The Works Suite™
